01 / ARTIST PROFILE

The Artist

Dubai-based DJ, producer and music curator Darko De Jan has spent nearly two decades shaping electronic music and nightlife across the UAE and wider Middle East. After making Dubai his home, he developed a sound that blends melodic house with hypnotic Afro-tech, driven by deep grooves, intricate percussion and atmospheric melodies.

His sets are built as musical journeys, balancing emotional depth with a close reading of each room. His productions have earned repeated Top 100 chart appearances on Beatport and Traxsource.

Alongside his artist career, Darko is Entertainment Manager for the Lifestyle Division at Sunset Hospitality Group, where he leads entertainment strategy, creative direction and talent curation. His radio show Paparazzi brings his selections to audiences on MixMag Radio and Ibiza Global Radio UAE. For Darko, the journey is never simply about playing records; it is about creating moments people remember.
